

Press release

PORR contractor for road in Warsaw's Wawer district

Warsaw, 27.02.2024 - The Wawer District Office of the City of Warsaw has signed a contract with PORR S.A. for the construction of Celulozy Street on the section from Przewodowa Street to Bielika Street. The task, worth more than PLN 5 million, will be completed in the fourth quarter of this year.

As part of the task, PORR is responsible for the construction of a 5.5-meter-wide asphalt road, the construction of a 2-meter-wide sidewalk with individual entrances, as well as the construction of lighting and drainage. During the course of the work, the contractor will remove existing collisions with power, gas and teletechnical networks.

Facts and figures in a nutshell:

Project type:	Construction of Celulozy Street in the Wawer district of the city of Warsaw
Scope of works:	Build
Client:	The Wawer District Office of the City of Warsaw
Contractor:	PORR S.A.
Contract value:	PLN 5.221 million
Time for execution:	November 2024
